

Skyworks Green Roadmap

Package Style (Part Number Suffix)	2005 Q1	2005 Q2	2005 Q3	2005 Q4	2006 Q1	2006 Q2	2006 Q3	2006 Q4	2007 Q1	2007 Q2	2007 Q3	2007 Q4	2008 Q1	2008 Q2	2008 Q3	2008 Q4	2009 Q1	2009 Q2	2009 Q3	2009 Q4
SOT-666 (-344LF)					■															
Ceramic Coaxial Resonators						■														
Ceramic Coaxial Inductors							■													
MCM								■												
SOT-89 (-70LF)									■											
LGA										■										
Hermetic Ceramic (-628)											■									
Hermetic Ceramic (-107)												■								
Hermetic Ceramic (-116)													■							
Film Frame (-099)														■						
Surface Mount (-111)															■					
Hermetic Ceramic (-108)																■				
SOT-23 3L (-39LF)																				■
MSOP 8L (-59LF)																				■
SC-79 6L (-079LF)																				■
SOT-23 6L (-73LF)																				■
SC-88, SC-70 6L (-081LF)																				■
SC-88, SC-70 6L (-92LF)																				■
SOT-23 (-006LF)																				■
MLPM 3 x 2 mm (-313LF)																				■
SOIC 14L (-24LF)																				■
SOIC 16L (-25LF)																				■
SOIC 8L (-12LF)																				■
MSOP EP 8L (-302)																				■
LGA 4L 1.41 x 1.18 (-517 -518)																				■
LPCC (-307LF)																				■
LGA 8L 4.9 x 3.2 mm (-315)																				■
LGA 4L 1.42 x 1.18 mm (-508)																				■
TSSOP 20L																				■
MSOP 10L (-86LF)																				■
SOT-23 5L (-027LF -72LF)																				■
SSOP 16L (-80LF)																				■
LGA 6L 1.5 x 1.2 mm (-334)																				■
LQFP 32L 7 x 7 mm																				■
LQFP 48L 7 x 7 mm																				■
QFN 20L 4 x 4 mm (-365LF)																				■

1. Available lead (Pb)-free prior to 2003.

Skyworks Definition of Green

Skyworks Green products are lead (Pb)-free, Restriction of Hazardous Substances (RoHS) compliant, conform to the EIA/EICTA/JEITA Joint Industry Guide (JIG) Level A guidelines, and are free from antimony trioxide, and brominated flame retardants.
